What you need to know – Syllabus

Syllabus

- Syllabus content will be uploaded to the registration website as it is received from course faculty, we will continue to upload the presentations as we receive them throughout the course (many times faculty do not get their presentations to us ahead of time)
- Not all course faculty approve for sharing with you (especially presentations containing patient photos or with research projects)
- You will have access to the final presentations that are allowed to be shared with you; they will be uploaded 2-3 weeks upon course completion by signing into CloudCME

Syllabus Access - To access the syllabus, you will need to sign back into CloudCME – Click Here

- Next – Select Login to the Portal, enter your user name which is the email you registered with, next enter your password (if you don't have your password you can enter the email address used to register and retrieve your Log-In information and reset your email
- Once Logged-In you will click on >Faculty, then select the faculty name, if there is a presentation available, you will be able to view, download or print from here
