YOU ARE INVITED TO THE SECOND ANNUAL

STARS Research and Education Conference

THE RITZ-CARLTON

LAGUNA NIGUEL, CA

SEPTEMBER 11 – 12, 2026

STARS is proud to announce our 2nd Annual Research and Education Conference, jointly sponsored by St. Louis University School of Medicine. This event will bring together leading experts in stuttering, researchers, clinicians, and individuals who stutter to learn about and share the latest advancements in stuttering research and treatment. Continuing Medical Education (CME) credits will be provided.
